

OBJECTIVE

Result-driven Information Technology graduate with a strong foundation built over continuous academic and project-based learning. Brings hands-on experience in mobile and web development, as well as early-stage experience in data analysis through projects focused on data cleaning, visualization, and insight generation using Power BI and Excel. Proficient in PHP, HTML, Dart, Java, and JavaScript, with practical project work in Flutter, Laravel and CodeIgniter 3. Well-versed in PMBOK project management principles and DevOps practices, with full-stack capabilities across both front-end and back-end development. A personable professional committed to fostering positive relationships and delivering exceptional outcomes and to solve business needs.

Final Year Project: *Ameliorate (Mental Health Application)*

SELANGOR MATRICULATION COLLEGE

(2019 – 2021)

Module 1

CGPA: 3.20

WORK EXPERIENCE

NARDELL RESOURCES SDN BHD

(Jun 2025 – Nov 2025)

Full Stack Developer

- **Company Website Development:** Developed the company's official website using Laravel, PHP, MySQL, HTML, CSS, and JavaScript, delivering a responsive and user-friendly interface.
- **Feature Implementation:** Built custom modules such as service listings, contact forms, and content management features, enhancing accessibility and client engagement.
- **System Optimization:** Improved website performance by optimizing database queries, implementing caching strategies, and ensuring cross-browser compatibility.
- **Collaboration:** Worked closely with internal teams to gather requirements, translate business needs into technical solutions, and provide ongoing website maintenance and updates.

SALIHIN IT CURATION SDN BHD

(Oct 2024 – Apr 2025)

Junior Programmer (Internship)

- **Web Development:** Skillfully developed the user-side of an internal E-Recruitment System using CI3, PHP, MySQL, JavaScript, and AJAX. Built features for application tracking, document uploads, and interview scheduling, improving user interaction and process efficiency.
- **Invoice Verification:** Successfully verified e-invoices from Serai Group by cross-checking data between Oracle and Food Market Hub, identifying mismatches and ensuring accuracy in financial records within 6 consecutive months.
- **Event Support:** Effectively provide support in tax event preparation by researching client companies, contacting bank representatives, and coordinating event logistics, ensured all relevant data was compiled accurately for smooth execution.

WARDAH BEAUTY MALAYSIA

(Oct 2023 – July 2024)

Youth Ambassador

- **Brand Advocacy:** Expertly interacting with youth groups through social media campaigns and school activities in order to skillfully create a favorable brand image and raise brand awareness.
- **Teamwork:** Collaborated effectively with a team of 60 brand ambassadors to coordinate 3 events and campaigns, ensuring seamless execution and achieving campaign objectives which led to a 20% increase in overall event participation and positive feedback from attendees.
- **Creativity:** Developed innovative ways to present and promote the brand, such as organizing interactive beauty workshops and creating engaging social media content. These creative efforts resulted in a 10% increase in online engagement and a 5% boost in product sales during promotional periods.

PEJABAT KESIHATAN DAERAH GOMBAK

(Jul 2021 – Oct 2021)

Data Entry (Volunteer)

- **Data Management:** Expertly managed data management by accurately inputting, storing, and retrieving data, ensuring seamless information flow and accessibility. Managed over 21,000 records monthly, reducing data retrieval time by 30%.
- **Technical Skills:** Utilized technical proficiency in working with information systems and databases, effectively managing data through software (Microsoft Excel and SQL), contributed in improved data processing efficiency by 15% through automation techniques.
- **Attention to Detail:** Successfully achieved a 99% accuracy rate in data entries, significantly reducing error-related issues and rework.
